QUARTERLY REPORT, FIRST QUARTER 2016

Patrol

During the first quarter of 2016 calls for service/self initiated activity decreased 22% from the first quarter of 2015, from 2,694 to 2,094. Below is a possible reason for the first quarter 2016 decrease.

The Department has been operating short two full time officers since the third quarter of 2015.

During the first quarter of 2016, the Department hired an entry level Officer who is scheduled to begin the Washington State Police Academy on April 6th.

A new Reserve Officer joined the department and is currently attending the Reserve Academy with a graduation date set in June, 2016.

During the 1st quarter, the police department separated an Officer due to a medical issue, and is currently one position short.

In March three new patrol vehicles were delivered and are currently undergoing up fitting of emergency equipment.

Police Department Overtime

Department overtime costs during the first quarter of 2016 indicate a 43% increase as compared to the first quarter of 2015. We are seeing a cost increase of approximately $9,204.

The increase in overtime use can be attributed to the department being short two full time officers, officers on military leave, and officers utilizing sick days.

Sergeant Markus attended Managements Rights training.

All officers attended Legal Update and Search Warrant Update training.

Officer Orate completed ACCESS 2 Recertification.

All sworn officers completed mandatory quarterly firearms qualifications.

School Resource Officer Activities during the first quarter 2016.

- During the first quarter of 2016, the School Resource Officer (SRO) was assigned 25 case files, made 1 juvenile arrest and 1 adult arrest.
- In March, the SRO conducted an excessive speed emphasis in school zone which resulted in one citation being issued along with seven verbal warnings for speed.
- The SRO assisted the four Prosser schools in traffic control, visited with Staff and Students on a regular basis, and participated in various school initiated drills and meetings.
- The SRO spoke with various students about harassment, sending inappropriate photos on their cell phones, attendance issues, and smoking marijuana.
- The SRO attended how to deal with special education students training, two CIA meetings, and talked to the leadership class about cyber crimes.
- The SRO tested security procedures using civilians at both Housel Middle School and Prosser Heights.

Investigations

During the first quarter of 2016, clearance rate of Group A Offenses are as follows:

- Clearance rate for Group A Offenses investigated first quarter in 2016 is 42%. Out of 64 cases, 27 were cleared.

- Clearance rate for Group A Offenses investigated first quarter in 2015 is 48%. Out of 86 cases, 41 were cleared.
- **See attachments (A) and (B) for a comparison of clearance percentages between first quarters of fiscal year 2016 and 2015.**

Clearance rates are dictated by the type of crime and the resources available to follow up the crime. It is anticipated that once the department is fully staffed and fully operational, a full time detective will be put in place, which should increase clearance rates.
