**4th Annual Non-Perishable Food Drive**

The City of Prosser is hosting its 4<sup>th</sup> Annual Food Drive during the entire month of February. We will be collecting non-perishable food items for those in our community who need a little extra help this time of year. All non-perishable food donations will be taken to Jubilee Ministry, located at 1429 Stacy Avenue in Prosser, as the food bank located there has assisted many families in our area.

The winter season can be a difficult time for many, with cold weather, family sicknesses, rising electricity bills, and other accumulating expenses. Also, we live in an agricultural community where many of our residents depend upon seasonal work to support their families. As a result, many individuals are out of work during the winter months. In the past, the City of Prosser has received a great response from the community supporting the City's food drive, collecting approximately 300 pounds of non-perishable food items each year. The goal this year is to help as many people as possible with this food drive by collecting at least 400 pounds of food!

You may contribute to this worthy cause by bringing your non-perishable items to City Hall at 601 7<sup>th</sup> Street in Prosser. Examples of items that are being accepted are: canned foods (soup, beans, fruits, vegetables, meats, and peanut butter), dried foods (cereal, oatmeal, crackers, granola bars, rice, pasta, fruit, and beans), and bottled juices.

Those of us at the City of Prosser and Jubilee Ministry would like to thank all individuals who are able to participate in the food drive. For more information, contact the City Hall Front Desk Staff by calling City Hall at (509)786-2332 between the hours of 8:00 a.m. and 5:00 p.m. Monday – Friday excluding the lunch hour closure between 11:00 a.m. – noon.
