Community Photo Contest for City of Prosser Website

The City of Prosser is looking for your favorite photos of our community! We will be holding a photo contest where you can submit your best photos to be considered for background images on our City website. Sure we have our “stock” photos we could use but we want to see your view of our community and what’s important to you. We are looking for 3 photos that will be used for the background images on our website (one image will be used for the Prosser Aquatic Center pages, one for the Prosser Police Department pages, and the other will be used for the main Home page as well as the subsequent department pages).

It’s a contest so you may be asking, what do we get if we win? Well, we have some amazing items available for our winning photos with the help of the Prosser Chamber of Commerce.

You may submit photos by emailing them to siteadmin@cityofprosser.com. All photos must be submitted by Sunday, June 5, 2016. There are no limits to the number of submissions that can be made. The City reserves the right to reject any photo it deems inappropriate or offensive without notice. By submitting a photo, you grant the use of the photos to the City for publication and represent consent of any person appearing in the photo to use their image. You may view the Official Rules at www.cityofprosser.com under Announcements & News Items.
