Re: Benton County Court House Shared Services Discussion

Dear Chairman McKay:

At the January 23, 2024 City Management Team Meeting, staff and I began the work of creating a process to reengage City Administration, Policy Makers and Stakeholders for the purpose of identifying potential site locations for the future City Hall/Police Station following the failed bond attempt in the fall of 2022.

At this time, the City would like to reengage in conversations with the County to review the possibilities of sharing space and resources at the historic Benton County Court House in Prosser.

I plan to contact Commissioner Alvarez for a preliminary meeting to outline the City's strategy for beginning our conversations. Then we would like to set up a walk-thru at the Court House with appropriate staff members. After the walk-thru, we plan to schedule additional meetings to complete our conversations.

Please contact me at your earliest convenience to schedule the walk-thru meeting on a mutually agreeable date and time either by phone at: (509) 786-8216 or by email at: gvegar@ci.prosser.wa.us

Sincerely,

A handwritten signature in blue ink, appearing to read "G. Vegar".
