### Prosser City Park Playground, Construction Begins

Construction will begin on City Park Playground project located at 1301 Sommers Ave., in Prosser beginning the week of July 25<sup>th</sup>. The current playground will not be impacted at this time. The City will notify the public when the existing structure will be demolished. Name slats from the Playground of Dreams will be saved and stored for owners to pick up at a future date. The project is estimated to be complete sometime this fall and will include inclusive features for children with disabilities.
