## PROSSER POLICE DEPARTMENT

### Missing Person

**Prosser, October 21, 2019:** The Prosser Police Department was contacted by the Umatilla County Sheriff's Office in Oregon.

At this time, the Prosser Police Department was informed by the Sheriff's department that they had located a vehicle in the Columbia River at Hat Rock Park, with the vehicle registration indicating that the vehicle registered to an individual reported missing to the Prosser Police Department in 1993.

The 1993 registered owner of the vehicle was Maynard P. Koen, who was 81yoa at the time he was reported missing.

The Umatilla County Sheriff's department advised that a group of divers had found the vehicle and provided the Sheriff's department the license plate number. The Umatilla County Dive Team was then dispatched, and upon their arrival, located the vehicle in 20 to 30 feet of water. Umatilla County was able to retrieve the vehicle from the water and secure it at their department.

Preliminary examination of the vehicle indicated that it contained clothing and identification associated with Mr. Koen.

Investigation is ongoing. Contact the Umatilla County Sheriff's Department concerning any further information involving their investigation.
