### **Superior Court Decision –Shane Hellyer**

On November 25<sup>th</sup>, Benton County Superior Court Judge Swanberg filed an order vacating the arbitrator's award regarding the termination of Shane Hellyer and upholding the termination of Mr. Hellyer.

Subsequently, Teamsters Local Union #839 has filed an appeal of that decision.

It is the intention of the City to continue its defense of this matter and the City maintains its position that the termination of Mr Hellyer was appropriate.
