Hearing Type: Quasi-Judicial

This is a quasi-judicial hearing. This means that the hearing must not only be fair but appear to be fair. If you have had any ex parte contact with the applicant or anyone, other than City Staff, then you must disclose that contact and the nature of that contact. In the event that you have already made up your mind regarding the subject of this hearing and cannot rely on the evidence presented to make that decision, then you must disclose that fact. In the event that conflicts would prevent a quorum from making a decision in this matter, then, under the doctrine of necessity, you would be able to hear this matter notwithstanding any conflicts. Do you have any conflicts? Does any member of the public believe that any member has a conflict?
